**SECTION 1.9.(g)** The General Assembly finds that the amendments made by this section clarify the intent of the existing law and do not represent a change in the law. Accordingly, subsections (a) and (c) of this section apply to taxable years beginning before January 1, 2014, subsections (b) and (d) of this section apply to taxable years beginning on or after January 1, 2014, and subsection (f) of this section applies to all taxable years.

**SECTION 1.11.(a)** G.S. 105-228.5(d)(3) reads as rewritten:

"(3) Additional Rate on Property Coverage Contracts. – An additional tax at the rate of seventy-four hundredths percent (0.74%) applies to gross premiums on insurance contracts for property coverage. Twenty percent (20%) of the net proceeds of this additional tax must be credited to the Volunteer Fire Department Fund established in Article 87 of Chapter 58 of the General Statutes. Twenty percent (20%) of the net proceeds must be credited to the Department of Insurance for disbursement pursuant to G.S. 58-84-25. Up to twenty percent (20%), as determined in accordance with G.S. 58-87-10(f), must be credited to the Workers' Compensation Fund. The remaining net proceeds must be credited to the General Fund. The additional tax imposed on property coverage contracts under this subdivision is a special purpose assessment based on gross premiums and not a gross premiums tax."

**SECTION 1.11.(b)** A taxpayer that elected to take a business energy and tax credit against the gross premiums tax for a taxable year beginning before January 1, 2017, may take an installment or carryforward of the credit against the additional tax imposed under G.S. 105-228.5(d)(3) for taxable years beginning before January 1, 2017. A taxpayer may not take an installment or carryforward of the credit against the additional tax imposed under G.S. 105-228.5(d)(3) for taxable years beginning on or after January 1, 2017. A taxpayer may apply to the Department of Revenue for a refund of any excess tax paid to the extent the refund is the result of the benefit enacted by this subsection. A request for a refund must be made on or before January 1, 2018. A request for a refund received after this date is barred.

**SECTION 1.11.(c)** The gross premiums tax is a tax imposed on the gross premiums of insurers, Article 65 corporations, health maintenance organizations, and self-insurers. Entities subject to the gross premiums tax are not subject to franchise or income taxes. In S.L. 2009-548, the General Assembly broadened the taxes against which the business

and energy tax credits could be taken from income and franchise taxes to income, franchise, and gross premiums taxes.

The gross premiums tax rate is set in G.S. 105-228.5(d)(1) and (2). Separate and apart from the gross premiums taxes, G.S. 105-228.5(d)(3) imposes an additional tax that is calculated using a person's gross premiums but is not considered part of the gross premiums tax imposition. The Department of Revenue has historically administered the gross premium tax and the additional tax imposed under G.S. 105-228.5 as two separate and distinct taxes. Satisfied with this administration, the General Assembly did not address the separate treatment of the two taxes in S.L. 2009-548.

The intent of this section is two-fold, as follows:

- (1) To clarify the accuracy of the Department's interpretation of the current and continuing state of the law by expressly codifying the long-standing interpretation that the additional tax imposed by G.S. 105-228.5(d)(3) is a separate and distinct tax that is based upon gross premiums but is not a gross premiums tax.
- (2) To avoid costly potential litigation with taxpayers that have failed to properly take an installment or carryforward of a business and energy tax credit against only the gross premiums tax by permitting the taxpayers to take installments and carryforwards of that tax credit for taxable years beginning before January 1, 2017, against the additional tax that is imposed under G.S. 105-228.5(d)(3).

A retailer entitled to a credit for tax originally paid under this provision may reduce taxable receipts by the taxable amount of the credit for the period in which the credit occurs.

**SECTION 2.8.(b)** The Revenue Laws Study Committee is directed to study the feasibility of providing a seller of taxable repair, maintenance, and installation services to real property the option of paying sales tax on the property used to fulfill the repair, maintenance, and installation service at the time the property is purchased and offsetting the sales tax liability on the taxable repair, maintenance, and installation service with the sales and use tax paid on the products. Subsection (a) of this section provides sellers this option until July 1, 2018. This subdivision does not prohibit the Secretary from assessing use tax on purchases used to fulfill a transaction erroneously treated as a real property contract.
- (3) A person treated a transaction as a real property contract in error and did not collect sales tax on the transaction as a retail sale. This subdivision does not prohibit the Secretary from assessing use tax on purchases used to fulfill a transaction erroneously treated as a real property contract.

- (8) A person failed to collect sales tax on the portion of a mixed contract for repair, maintenance, and installation services that exceeds ten percent (10%) for a transaction prior to January 1, 2017. This subdivision does not prohibit the Secretary from assessing use tax on purchases used to fulfill a mixed contract.
- (9) A person treats a transaction as a real property contract for remodeling instead of the retail sale of repair, maintenance, and installation services sold at retail prior to January 1, 2018. This subdivision does not prohibit the Secretary from assessing use tax on purchases used to fulfill the transaction.

(b) Limitations. – This section does not prohibit the following assessments:

  - b. The failure to pay sales or use tax on the rental of linens used by a facilitator, rental agent, or other person in providing the rental of an accommodation taxed in accordance with G.S. 105-164.4F where the facilitator, rental agent, or other person issued a certificate of exemption or the required data elements per G.S. 105-164.28 to the lessor.
